3015 Richmond,
Ste 270
Houston, TX 77098

(713) 523-2827

Texans for Alternatives
to Pesticides seeks to
reduce the use of
pesticides in homes,
schools and public
places

Non-Toxic Ideas

Ant Mounds:

Mix

2 Tb Molasses

2 Tb Orange Oil

1-Gallon Water

Pour over the center of mound

Repel Insects:

Use a variety of Cedar Based Products to repel fleas, ants, beetles, and crickets

Mosquitoes:

Get rid of any standing water; use a fan to create a wind; cover your body as much as possible; maintain tight screens and weather stripping.

Brown Patch (lawn):

Use corn meal fungicide
